GCCs Set Up

1

Talent Leasing in India

Build and manage dedicated tech teams—without setting up a local entity. You're always in charge—your dedicated team reports to you, while CHS manages recruitment, compliance, payroll, and HR behind the scenes.

2

GCC Setup

Setup a wholly owned GCC to handle functions like IT services, R&D, or customer support with our end-to-end consulting, providing strategic business planning, guidance and operational support.

3

Executive Search & Leadership Hiring

Retained search to help global companies hire senior leaders in India. We specialize in placing proven leadership with the experience and vision to drive strategic growth and scale your India operations effectively.

4

Serviced Office Solutions

Premium, fully serviced office spaces across India—designed to global standards and tailored to your business. From 1 to 500+ employees, we offer flexible solutions for teams of any size to suit any budget.

5

Visa & Work Permit Services

India's streamlined visa policies welcome global business leaders and talent—CHS provides end-to-end support for visas and long-term work permits to build cross-border teams that drive innovation and growth.
